14.2 M

Which one?

Tell me about
the revenue

What we'll cover today

- Fabric IQ and how to get started
- Live demo
- Questions

The cost of duplication

Semantic models

- Every new model reinvents metrics
- New relationships are made

AI agents hallucinate

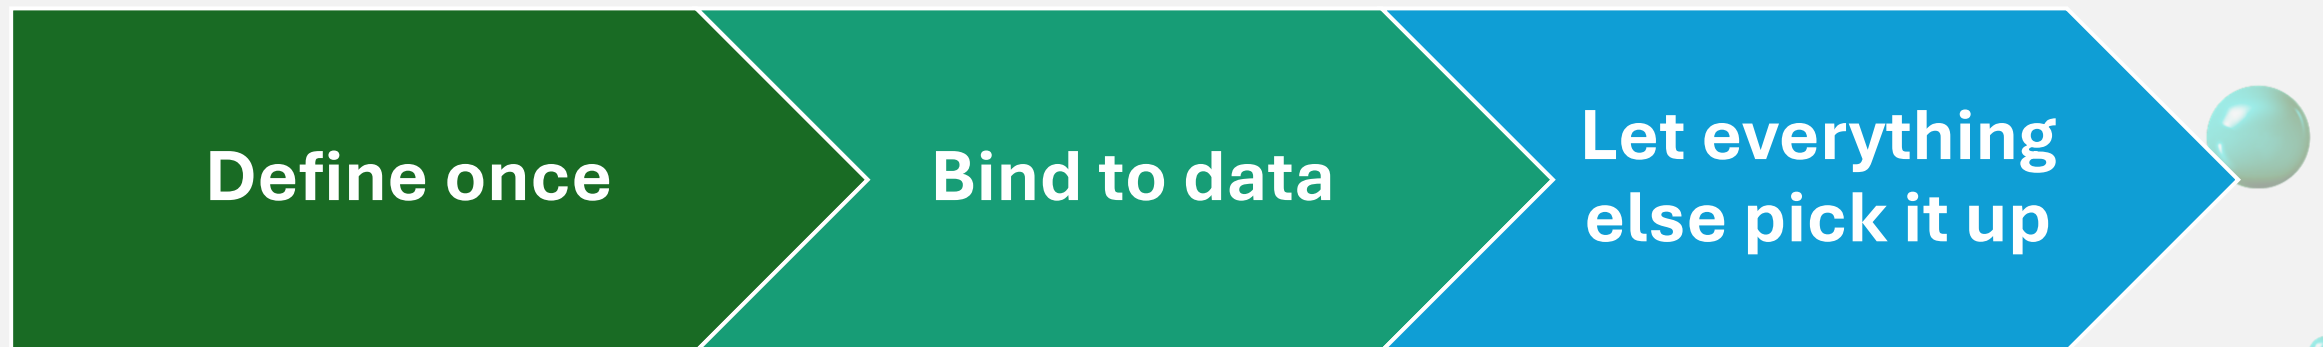

- AI don't like to say "I do not know"
- Often invents an answer when in doubt

Governance

- Building policies
- Should be enabling

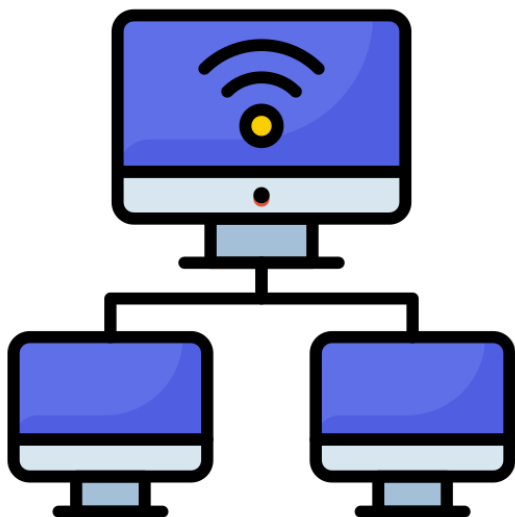

The cost of duplication

What If You Only Had to Define It Once?

Fabric IQ

Silo Era

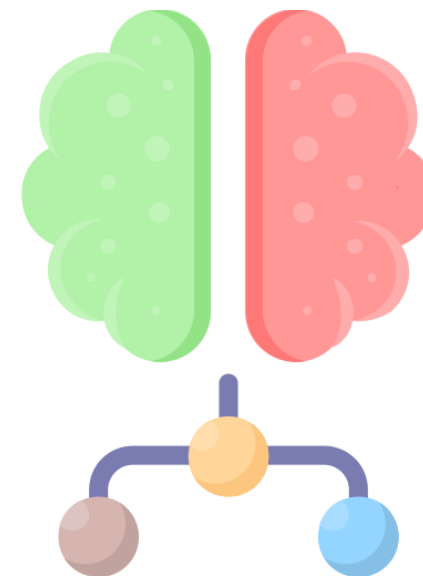

1990s-2010s

Consolidation Era

2010s-2020s

Intelligence Era

2025-present
